§ 17.148

expenses of services not previously authorized rendered in any foreign country except the Republic of the Philippines which will be referred to the VA Outpatient Clinic in Pasay City.

[39 FR 1844, Jan. 15, 1974, as amended at 45 FR 6938, Jan. 31, 1980. Redesignated and amended at 61 FR 21966, 21968, May 13, 1996; 74 FR 30228, June 25, 2009]

§ 17.142 Authority to approve sharing agreements, contracts for scarce medical specialist services and contracts for other medical services.

The Under Secretary for Health is delegated authority to enter into

(a) Sharing agreements authorized under the provisions of 38 U.S.C. 8153 and § 17.210 and which may be negotiated pursuant to the provisions of 41 CFR 8–3.204(c);

(b) Contracts with schools and colleges of medicine, osteopathy, dentistry, podiatry, optometry, and nursing, clinics, and any other group or individual capable of furnishing such services to provide scarce medical specialist services at Department of Veterans Affairs health care facilities (including, but not limited to, services of physicians, dentists, podiatrists, optometrists, nurses, physicians' assistants, expanded function dental auxiliaries, technicians, and other medical support personnel); and

(c) When a sharing agreement or contract for scarce medical specialist services is not warranted, contracts authorized under the provisions of 38 U.S.C. 513 for medical and ancillary services. The authority under this section generally will be exercised by approval of proposed contracts or agreements negotiated at the health care facility level. Such approval, however, will not be necessary in the case of any purchase order or individual authorization for which authority has been delegated in § 17.99. All such contracts and agreements will be negotiated pursuant to 41 CFR chapters 1 and 8.

PROSTHETIC, SENSORY, AND REHABILITATIVE AIDS

§ 17.148 Service dogs.

(a) *Definitions.* For the purposes of this section:

Service dogs are guide or service dogs prescribed for a disabled veteran under this section.

(b) *Clinical requirements.* VA will provide benefits under this section to a veteran with a service dog only if:

(1) The veteran is diagnosed as having a visual, hearing, or substantial mobility impairment; and

(2) The VA clinical team that is treating the veteran for such impairment determines based upon medical judgment that it is optimal for the veteran to manage the impairment and live independently through the assistance of a trained service dog. Note: If other means (such as technological devices or rehabilitative therapy) will provide the same level of independence, then VA will not authorize benefits under this section.

(3) For the purposes of this section, substantial mobility impairment means a spinal cord injury or dysfunction or other chronic impairment that substantially limits mobility. A chronic impairment that substantially limits mobility includes but is not limited to a traumatic brain injury that compromises a veteran's ability to make appropriate decisions based on environmental cues (i.e., traffic lights or dangerous obstacles) or a seizure disorder that causes a veteran to become immobile during and after a seizure event.

(c) *Recognized service dogs.* VA will recognize, for the purpose of paying benefits under this section, the following service dogs:

(1) The dog and veteran must have successfully completed a training program offered by an organization accredited by Assistance Dogs International or the International Guide Dog Federation, or both (for dogs that perform both service- and guide-dog assistance). The veteran must provide to VA a certificate showing successful completion issued by the accredited organization that provided such program.

(2) Dogs obtained before September 5, 2012 will be recognized if a guide or
